Dear shareholder

Annual General Meeting of Amec Foster Wheeler plc

I have the pleasure of inviting you to the 2017 annual general meeting of Amec Foster Wheeler plc (the 'Company') which will be held at the offices of Linklaters LLP, One Silk Street, London, EC2Y 8HQ on Friday 2 June 2017 at 11.00 a.m. (please see directions on page 8). The formal notice of the annual general meeting and explanatory notes of the resolutions on which you can vote are set out in this circular.

If you would like to vote on the resolutions but cannot come to the annual general meeting, please fill in the proxy form sent to you with this notice and return it to our registrars as soon as possible. They must receive it by 11.00 a.m. on Wednesday 31 May 2017. Further information relating to proxy voting may be found in the notes to the notice of meeting.

As announced in March 2017, in light of ongoing market conditions, the board has decided to suspend dividend payments, including the final dividend for the year ended 31 December 2016, until the Company is generating sustainable free cash flow. Accordingly, there will be no resolution proposed at the 2017 annual general meeting in respect of a final dividend for the year ended 31 December 2016.

Much of the business of the meeting will be familiar to shareholders but I would like to draw your attention to the following resolutions which are to be proposed:

Board appointments

Shareholders will be asked to approve the proposal that Jon Lewis and Bob Card be elected as directors of the Company, having been appointed as CEO and a non-executive director respectively since last year's annual general meeting. The decision to appoint Jon was based on his 30 years' experience in the oil and gas industry including 20 years as a senior executive at Halliburton. He has a track record of safe and ethical operations, market insight, strong leadership, as well as commercial discipline. The decision to appoint Bob was based on the benefit that his significant relevant experience, particularly in the oversight, operations and management of infrastructure, power, mining and energy projects, would add to the board. I am fully supportive of both the elections.

Also, in compliance with the UK Corporate Governance Code, all of the other directors of the Company, with the exception of Kent Masters, will offer themselves for re-election. I am pleased to confirm that it is my firm opinion that each director's individual performance continues to be effective, that they all contribute significantly to the activities of the board and continue to demonstrate total commitment to their roles and responsibilities.

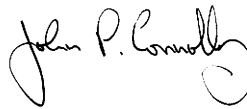

After having completed two years' service, Kent Masters will be stepping down as a director following the annual general meeting. Kent has supported Amec Foster Wheeler through a period of significant change and I am sure that you will join me in thanking him for his contribution.

Notice of general meetings

The Companies Act 2006 requires all general meetings to be held on 21 days' notice unless shareholders agree to a shorter notice period. We are currently able to call general meetings (other than annual general meetings) on 14 days' notice. We are again proposing a resolution at the annual general meeting so that we can continue to be able to do so.

Your directors believe that all the proposed resolutions are in the best interests of the Company and unanimously recommend that you vote in favour of all the resolutions set out in the attached notice, as they intend to do in respect of their own shareholdings.

Yours sincerely,

John Connolly
Chairman

Notice of annual general meeting 2017

Notice is hereby given that the 2017 annual general meeting of Amec Foster Wheeler plc will be held at the offices of Linklaters LLP, One Silk Street, London, EC2Y 8HQ on Friday 2 June 2017 at 11.00 a.m. for the following purposes:

1. To receive the accounts and the reports of the directors and the auditor for the year ended 31 December 2016 (Resolution 1).
2. To approve the statement by the chairman of the remuneration committee and the directors' remuneration report (Resolution 2).
3. To elect Jon Lewis and Bob Card who have been appointed as directors since the last annual general meeting, in accordance with the Company's articles of association (Resolutions 3 and 4).
4. To re-elect directors John Connolly, Ian McHoul, Linda Adamany, Colin Day, Roy Franklin and Stephanie Newby, who are offering themselves for re-election in compliance with the UK Corporate Governance Code (Resolutions 5 to 10).
5. To consider and, if thought fit, pass the following resolutions: That Ernst & Young LLP be and are hereby re-appointed as auditor of the Company, to hold office from the conclusion of this meeting until the conclusion of the next general meeting at which accounts are laid before the Company (Resolution 11), and, following advice received from the audit committee, to authorise the directors to fix the remuneration of the auditor (Resolution 12).
6. As special business, to consider and, if thought fit, pass the following resolutions:

As an ordinary resolution (Resolution 13):

That the authority conferred on the directors by article 6.2 of the Company's articles of association be renewed for the period ending at the end of the annual general meeting in 2018 or on 2 June 2018, whichever is the earlier, and for such period the Section 551 Amount shall be £64,345,628. Such authority shall be in substitution for all previous authorities pursuant to Section 551 of the Companies Act 2006.

As a special resolution (Resolution 14):

That subject to the passing of Resolution 13, the authority conferred on the directors by article 6.3 of the Company's articles of association be renewed for the period referred to in such resolution and the Board be authorised to allot equity securities (as defined in the Companies Act 2006) wholly for cash under the authority given by that resolution and/or to sell ordinary shares held by the Company as treasury shares wholly for cash as if section 561 of the Companies Act 2006 did not apply to any such allotment or sale, such authority to be limited to:

- a) allotments for rights issues and other pre-emptive issues; and
- b) the allotment of equity securities or sale of treasury shares, otherwise than under paragraph a) above, up to a nominal amount of £9,749,337.50,

so that the Company may, before the expiry of such authority at the end of the annual general meeting in 2018 or on 2 June 2018, whichever is the earlier, make offers and enter into agreements which would, or might, require equity securities to be allotted or treasury shares to be sold after the authority given by this resolution has expired and the directors may allot equity securities and sell treasury shares under any such offer or agreement as if the authority had not expired.

As a special resolution (Resolution 15):

That subject to the passing of Resolution 13, the authority conferred on the directors by article 6.3 of the Company's articles of association be renewed for the period referred to in such resolution and the Board be authorised, in addition to any authority granted under Resolution 14 above, to allot equity securities (as defined in the Companies Act 2006) wholly for cash under the authority given by Resolution 13 and/or to sell ordinary shares held by the Company as treasury shares wholly for cash as if section 561 of the Companies Act 2006 did not apply to any such allotment or sale, such authority to be:

- a) limited to the allotment of equity securities or sale of treasury shares up to a nominal amount of £9,749,337.50; and
- b) used only for the purposes of financing (or refinancing, if the authority is to be used within six months after the original transaction) a transaction which the Board of the Company determines to be an acquisition or other specified capital investment of a kind contemplated by the Statement of Principles on Disapplying Pre-Emption Rights most recently published by the Pre-Emption Group prior to the date of this notice,

so that the Company may, before expiry of such authority at the end of the annual general meeting in 2018 or on 2 June 2018, make offers and enter into agreements which would, or might, require equity securities and treasury shares to be sold after the authority given by this resolution has expired and the directors may allot equity securities and sell treasury shares under any such offer or agreement as if the authority had not expired.

Notice of annual general meeting 2017 continued

As a special resolution (Resolution 16):

That the Company be and is hereby unconditionally and generally authorised for the purpose of Section 701 of the Companies Act 2006 to make market purchases (as defined in Section 693 of that Act) of shares of 50 pence each in the capital of the Company provided that:

- a) the maximum number of shares that may be purchased is 38,997,350;
- b) the minimum price that may be paid for a share (exclusive of expenses) is 50 pence;
- c) the maximum price that may be paid for a share is an amount (exclusive of expenses) equal to the higher of:
 - (i) 105% of the average of the closing price of the shares as derived from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which such share is contracted to be purchased and
 - (ii) the higher of the price of the last independent trade and the highest current bid as stipulated by Commission-adopted Regulatory Technical Standards pursuant to Article 5(6) of the Market Abuse Regulation; and
- d) this authority shall expire at the conclusion of the annual general meeting of the Company to be held in 2018 or, if earlier, 2 June 2018 (except in relation to the purchase of shares the contract for which was concluded before the expiry of such authority and which might be executed, wholly or partly, after such expiry) unless such authority is renewed prior to such time.

As a special resolution (Resolution 17):

That a general meeting other than an annual general meeting may be called on not less than 14 clear days' notice.

By order of the board

Alison Yapp

Chief General Counsel and Company Secretary

3 May 2017

Notes

Resolutions 1 to 13 are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 14, 15, 16 and 17 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least 75% of the votes cast must be in favour of the resolution.

In line with best practice, voting on all resolutions set out in the notice of meeting will be by poll rather than by show of hands.

1. The purpose of Resolution 1 is for shareholders to receive the accounts and the reports of the directors and the auditor for the year ended 31 December 2016.
2. Resolution 2 deals with the remuneration of the directors. The Company is required to ask shareholders to approve the remuneration report; that is, the statement by the chairman of the remuneration committee and the report on remuneration paid to the directors during the year. This is set out on pages 72 to 73 and 74 to 88 of the annual report and accounts for the year ended 31 December 2016 ('2016 Report'). The Company's updated remuneration policy was adopted at the 2014 annual general meeting and will apply until replaced by a new or amended policy. As there are no changes being proposed to the policy this year, Resolution 2 will be put forward as an advisory vote.
3. For Resolutions 3 to 10, biographical details setting out the experience of each of the directors standing for election and re-election respectively can be found on pages 47 to 49 of the 2016 Report.
4. Resolution 11 deals with the re-appointment of Ernst & Young LLP as auditor of the Company. The Company is required to ask shareholders to approve the re-appointment of the auditor to hold office until the conclusion of the next annual general meeting. Ernst & Young LLP were first appointed as the auditor of the Company for the financial year ended 31 December 2010 and have been re-appointed at each subsequent annual general meeting. Resolution 12 is a separate resolution which authorises the directors to fix the remuneration of the auditor, following the advice received from the audit committee.

5. The purpose of Resolution 13 is to renew the directors' power to allot shares. The authority will allow the directors to allot new shares and grant rights to subscribe for, or convert other securities into, shares up to a nominal value of £64,345,628, which is equivalent to approximately 33% of the total issued share capital of the Company, excluding treasury shares as at 10 April 2017. At 10 April 2017, the Company held 3,158,310 treasury shares which represent 0.8% of the total number of shares in issue, excluding treasury shares, at that date.

The directors have no present intention of issuing any shares other than in respect of employee share schemes and incentive plans.

The directors consider it desirable to have the maximum flexibility permitted by corporate governance guidelines to respond to market developments and to enable allotments to take place to finance business opportunities as they arise. If the resolution is passed, the authority will expire at the end of the annual general meeting in 2018 or 2 June 2018, whichever is the earlier.

6. If the directors wish to allot new equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme or incentive plan) company law requires that these shares are offered first to shareholders in proportion to their existing holdings (known as pre-emption rights). The purpose of Resolution 14 is to authorise the directors to allot new shares pursuant to the authority given by Resolution 13, or sell treasury shares, for cash in connection with a pre-emptive offer or rights issue or otherwise up to a nominal value of £9,749,337.50, equivalent to 5% of the total issued share capital of the Company excluding treasury shares as at 10 April 2017, in each case without the shares first being offered to existing shareholders in proportion to their existing holdings in accordance with the statutory requirements set out in the Companies Act 2006.

The Pre-emption Group's Statement of Principles, as updated in May 2016, also supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities and sales of treasury shares for cash representing no more than an additional 5% of issued ordinary share capital (exclusive of treasury shares) to be used only in connection with an acquisition or specified capital investment. Accordingly, and in line with the Pre-emption Group's Statement of Principles, the purpose of Resolution 15 is to authorise the directors to allot new equity securities for cash and/or to sell ordinary shares held by the Company as treasury shares for cash, in addition to any authority granted under Resolution 14, up to a nominal amount of £9,749,337.50, equivalent to 5% of the total issued share capital of the Company excluding treasury shares as at 10 April 2017, in each case without the shares first being offered to existing shareholders in proportion to their existing holdings, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue. If the authority given in Resolution 15 is used, the Company will publish details of the placing in its next annual report.

If resolutions 14 and 15 are passed, the authority will expire at the end of the annual general meeting in 2018 or on 2 June 2018, whichever is the earlier but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the board may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority had not expired.

The board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles and not to allot shares or other equity securities or sell treasury shares for cash on a non pre-emptive basis pursuant to the authority in Resolution 15 in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company, excluding treasury shares, within a rolling three-year period, other than: (i) with prior consultation with shareholders; or (ii) in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

Notes continued

The board considers the authority in Resolutions 14 and 15 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer or rights issue without the need to comply with the strict requirements of the statutory pre-emption provisions.

7. Resolution 16 renews and extends the authority given to the directors at last year's annual general meeting and enables the Company to purchase up to 10% of the shares of the Company in issue, excluding any shares held in treasury, as at 10 April 2017. The resolution authorises the purchase of up to a maximum of 38,997,350 shares, until the conclusion of the annual general meeting of the Company to be held in 2018 or 2 June 2018, whichever is earlier. The Company's exercise of this authority is subject to the stated upper and lower limits on the price payable, which reflect the requirements of the Companies Act 2006 and the Listing Rules. Pursuant to the applicable legislation, the Company can hold the shares that have been repurchased as treasury shares and could re-sell them for cash, cancel them (either immediately or at a point in the future), or use them for the purposes of its employee share schemes. The directors believe that it is desirable for the Company to have this choice and may hold any shares purchased under this authority as treasury shares.

During the year ended 31 December 2016, no shares were purchased.

The maximum number of shares held in treasury by the Company at any time during the year was 3,158,310 shares. As at 31 December 2016, 3,158,310 shares (representing 0.8% of the total called up share capital of the Company, being the total issued share capital including treasury shares) remained in treasury, all of which have been allocated to the group's all-employee share schemes to date. During the year no shares were utilised in satisfying awards made under the UK SAYE Scheme and International SAYE Scheme. No shares have been purchased by the Company between 1 January 2017 and 10 April 2017. As at 10 April 2017, 3,158,310 shares remain in treasury.

Holding repurchased shares as treasury shares gives the Company the ability to re-sell or transfer them in the future and so provide the Company with additional flexibility in the management of its capital base. No dividends will be paid on, and no voting rights will be exercised in respect of, treasury shares. Further shares will only be repurchased if the directors consider such purchases to be in the best interests of shareholders generally and that they can be expected to result in an increase in earnings per share. The authority will only be used after careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels and the overall financial position of the Company. Shares held as treasury shares will not automatically be cancelled and will not be taken into account in future calculations of earnings per share, unless they are subsequently resold or transferred out of treasury.

If any shares repurchased by the Company and held in treasury are used for the purposes of its employee share schemes, the Company will count those shares towards the limits on the number of new shares that may be issued under such schemes.

As at 10 April 2017, there were 4,515,854 outstanding options granted under the Company's UK SAYE Scheme and International SAYE Scheme to date, which, if exercised, would represent 1.2% of the issued share capital of the Company, excluding any shares held in treasury. If this authority were exercised in full, that percentage would increase to 1.3%.

8. Resolution 17 relates to notice of general meetings. Under the Companies Act 2006, the notice period for all general meetings of the Company is 21 days. Annual general meetings will always be held on at least 21 days' clear notice but shareholders can approve a shorter notice period for other general meetings, as long as this is not less than 14 clear days.

The Company is currently able to call general meetings (other than an annual general meeting) on 14 clear days' notice and would like to preserve this ability. Resolution 17 again seeks such approval. The approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed.

The shorter notice period would not be used as a matter of routine for such meetings, but only where this is merited by the nature or urgency of the business of the meeting and is thought to be to the advantage of shareholders as a whole.

9. Holders of ordinary shares are entitled to attend and vote at general meetings of the Company. The total number of issued ordinary shares (excluding treasury shares) in the Company on 10 April 2017 is 389,973,503 carrying one vote each on a poll. Therefore, the total number of votes exercisable as at 10 April 2017 is 389,973,503.

10. Entitlement to attend and vote at the meeting, and the number of votes that may be cast at the meeting, will be determined by reference to the Company's register of members at close of business on Wednesday 31 May 2017 or, if the meeting is adjourned, at close of business on the day two business days prior to the adjourned meeting (as the case may be). In each case, changes to the register of members after such time will be disregarded.

11. You are entitled to appoint another person as your proxy to exercise all or any of your rights to attend and to speak and vote at the annual general meeting. Your proxy need not be a shareholder of the Company. You may appoint more than one proxy in relation to the annual general meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by you.

12. A form of proxy is enclosed. Appointing a proxy will not prevent you from subsequently attending and voting at the meeting in person.

13. To appoint a proxy, the form of proxy and any power of attorney or other authority under which it is executed (or a duly certified copy of any such power or authority) (a) must be sent to the Company's registrars, Capita Asset Services, PXS, The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU, (b) must be lodged using the CREST Proxy Voting Service in accordance with note 18 or (c) must be registered electronically on the website at www.signalshares.com (select the 'Proxy Voting' link) in each case so as to be received no later than 11.00 a.m. on Wednesday 31 May 2017. If option (c) is used and you have not previously registered for electronic communications, you will first be asked to register as a new user, for which you will require your investor code (which can be found on the enclosed proxy form, your share certificate or dividend tax voucher), your family name and postcode (if resident in the UK).
14. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with Section 146 of the Companies Act 2006 (nominated persons). Nominated persons may have a right under an agreement with the shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.
15. To facilitate entry to the meeting, please bring the admission card with you. This is attached to the proxy card.
16. Please note that the doors to the annual general meeting will open at 10.30 a.m.
17. Mobile phones may not be used in the meeting hall and cameras and tape or video recorders are not allowed.
18. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the meeting (and any adjournment of the meeting) by following the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members (and those CREST members who have appointed a voting service provider) should refer to their CREST sponsor or voting service provider, who will be able to take the appropriate action on their behalf.
19. In order for a CREST proxy appointment or instruction to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual (available via www.euroclear.com/CREST). The message (regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID 'RA10') by the latest time(s) for receipt of proxy appointments specified in note 12. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to a proxy appointed through CREST should be communicated to the proxy by other means.
20. CREST members (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider, to procure that the relevant CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
21. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
22. Any corporation that is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided that they do not do so in relation to the same shares.
23. Under Section 527 of the Companies Act 2006 members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the annual general meeting; or (ii) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with Section 437 of the Companies Act 2006. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with Sections 527 or 528 (requirements as to website availability) of the Companies Act 2006. Where the Company is required to place a statement on a website under Section 527 of the Companies Act 2006, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business that may be dealt with at the annual general meeting includes any statement that the Company has been required under Section 527 of the Companies Act 2006 to publish on a website.
24. Any shareholder attending the meeting has the right to ask questions. The Company must cause any such question to be answered if it relates to the business being dealt with at the meeting unless (a) to do so would interfere unduly with the proceedings at the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is not in the interests of the Company or the good order of the meeting that the question be answered.
25. A copy of this notice and other information required by Section 311A of the Companies Act 2006 can be found at amecfw.com.

Notes continued

26. Each of the resolutions to be put to the meeting will be voted on by poll and not by show of hands. A poll reflects the number of voting rights exercisable by each member and so the board considers it a more democratic method of voting. It is also in line with recommendations made by the Shareholder Voting Working Group. Shareholders and proxies will be asked to complete a poll card to indicate how they wish to cast their votes. These cards will be collected at the end of the meeting. The results of the poll will be published on the Company's website and notified to the UK Listing Authority once the votes have been counted and verified.

27. Please do not use any electronic address provided in either this notice of meeting or any related documents (including the enclosed form of proxy) to communicate with the Company for any purposes other than those expressly stated.

28. A copy of the annual report and accounts for the year ended 31 December 2016 (which includes the directors' remuneration report referred to in Resolution 2) is available at amecfw.com.
